1 Anderton Boat Lift

Lift Lane, Anderton, Northwich, Cheshire, CW9 6FW

The mighty Anderton Boat Lift, known as Cheshire's 'Cathedral of the Canals' is an iconic attraction and a great, family-friendly day out.

Built in 1875, it was the world's first ever successful boat lift, designed to bridge the 50 foot gap between the River Weaver and the Trent & Mersey Canal. An engineering masterpiece, not only does it still do the job it was designed to do, but it does so with the most ingenious and endearing character of any structure on the canal system today.

Take a river cruise, a boat trip through the lift or simply relax with free entry into our coffee shop, interactive exhibition, gift shop and grounds with new £50k adventure play area.

Offer: 25% off 2 or more full priced boat tickets. T&Cs: Offer can be used for up to 8 people. Not on Family Tickets or special events. Valid from the 1st April to 31st October
