

VISIT CHESHIRE HOME SCHOOL RESOURCE PACK...

SENIORS

Although Cheshire's beautiful parks, gardens and visitor attractions are now closed, there are some great resources that they have on offer for learning opportunities. With lots of children learning from home, we have tailored some activities aimed at senior years education with helpful links from our partners across Cheshire.

TEGG'S NOSE COUNTRY PARK

Tegg's Nose Country Park is located close to Macclesfield in Cheshire on the western edge of the Peak District National Park. Views from Tegg's Nose overlook nearby Macclesfield Forest and across to the summit of Shutlingsloe, which is the second highest point in Cheshire, as well as the Telecoms Tower on Sutton Common and the Macclesfield Canal. On clear days you can also see as far as the Welsh Hills and Liverpool in the west across the Cheshire plain!

JODRELL BANK...

Jodrell Bank is one of the world's largest radio telescopes, located near Macclesfield, Cheshire. The observatory was established in 1945 and is now a UNESCO world heritage site, which means it has an extremely special, physical significance. Look at some of the links below to take part in some science learning at home:

HACK GREEN

SECRET NUCLEAR BUNKER

For over 60 years this vast underground complex remained secret. The 35,000 sq ft underground bunker would have been the centre of regional government had nuclear war broken out. Entering through the massive blast doors, you are transported into the chilling world of the Cold War. Re-built at a cost of over £32m, see the governments preparations for nuclear war and step into the lives of those who worked here.

NATIONAL MUSEUMS

Why not check out the Malpas Hoard and Knutsford Hoard from National Museums Liverpool? These hoards, which form part of the museum's Regional Archaeology Collection, have been discovered throughout Cheshire through use of metal detectors, and reported to archaeologists through the Portable Antiquities Scheme.

If this interests you, perhaps consider joining a Young Archaeology society...

NANTWICH MUSEUM

Nantwich Museum has gone digital!
Discover a daily programme of posts and activities on their Facebook page.

CHECK IT OUT HERE

MORE ABOUT NANTWICH MUSEUM

The Main Gallery explores former industries including salt making, clock making and the shoe and clothing industries. You can also find out about some of the more disastrous events to impact the town such as the 1583 Great Fire of Nantwich. The Cheese Room traces through the Victorian era to the present day. Cheshire cheese is the oldest named British cheese and Nantwich has been a centre for producing and selling Cheshire cheese. Always changing, the Millennium Gallery hosts a programme of historic and art exhibitions with individuals and groups encouraged to use and hire this space.
