## Directions

1. From Tegg's Nose Country Park enjoy the stunning views over Macclesfield Forest to the 'Cheshire Matterhorn' of Shutlingsloe. Then take the permissive bridleway signposted 'Sadler's Way', down a steep and stony path which is paved in sections. Pass through a 2.4 m / 8' field gate with low extended handle.
2. At the tarmaced lane, turn right and follow it swinging left downhill past Clough House Farm, signed 'Macclesfield Forest' and 'Forest Chapel'.
3. When the tarmac peters out by a house, continue along the stony track, swinging first right, then over a small ford, and then swinging left at the junction of tracks after seeing a footpath sign on either side of the track.
4. At Hardingland house, keep straight ahead on the tarmaced Hacked Way Lane.
5. Where the lane bears left, go through the 1.5 m / 5' bridle gate with low extended handle, into the forest. This is signed as a public footpath and permissive bridleway.
6. Follow the mud path through the trees, bearing right at a junction of paths, signed 'Forest Chapel'.
7. Just passed a building ruin, turn right onto a forestry track signposted 'Langley' and 'Forest Bridleway'.
8. At the bottom of this track, go through the 1.5 m / 5' bridle gate with extended handle and turn right along the road right downhill to the Leathers Smithy pub, again signposted 'Forest Bridleway'. Enjoy the views to your right back across to Tegg's Nose.
9. Turn left to ride with Ridgeway reservoir on your right hand side. At the far end of the reservoir, continue straight on at the road junction, signposted 'Wincle'.
10. Follow the tarmac lane right up the hill and take the first permissive bridleway on your left via a 1.5 m / 5' bridle gate with extended handle.
